36th Annual Super Scrambles

In Memory of Ann Pascale & Cliff Theiss
November 7th - November 8th, 2009

The 36th Super Scrambles Paddle Tournament was played with perfect fall weather at the Village Courts. The tournament attracted 32 spirited teams. A wonderful crowd showed up to watch outstanding matches. Between matches lunch was enjoyed by more than 60 people. Two flights of Paddle were offered so that everyone had a guarantee of 3 matches which included the Main Draw, Consolation and Reprieve of 2 separate flights. Prizes were awarded to 16 teams! It was a terrific start for the upcoming paddle season in Bronxville.

Following the Saturday matches, a large crowd turned out at The Bronxville Field Club for an evening of great spirits and food to recount the day's matches and just pure fun.

Special thanks to, not only the many Committee Members and special volunteers in making this an incredible success, but to all those enthusiastic paddle players who took part and made it all happen!
