Committee meeting will be on November 29th. She said we are going to prioritize things we want to accomplish as a Village.

Mayor Marvin said we are re-canvassing the Civil Service List to fill two openings in our police department.

Mayor Marvin reported that with Chief Downey's help and with the cooperation of our police officers, we have instituted a foot patrol in the business district to address the blatant traffic violations in the downtown district.

Mayor Marvin said we have also pared down our meeting agenda to include only those items that are time sensitive so we can extend the informational meeting past the 8:30 hour so all would have an opportunity to speak. Therefore, we have dispensed with department reports this evening.

TRUSTEE REPORTS

Trustee Bellitto reported that the next meeting of the parking committee will be held on November 27 at 7:30 p.m. in the Board Room of the Bronxville School.

APPROVAL OF MINUTES

Mayor Marvin said she had one correction in the Mayors Report in the Minutes of the Regular Meeting of October 16th and that was that Library Board member Vicki Manley is the "facilities chair".

On motion of Trustee Underhill, seconded by Trustee Barton, the Board approved the minutes of the the Regular Meeting of October 16, 2006, as amended.

Proposed Local Law No. 2 - 2006 – Taxi Fares

Village Administrator Porr noted that there was a resolution on the agenda that would adopt a proposed local law increasing taxi fares in the Village of Bronxville. A public hearing was held on the proposed local law at the meeting on October 16th. The last time taxi fares were increased was 1990. He said the Board modified the law to bring the senior citizen rate down to \$2.75 from the \$3.50 originally requested by the taxi company.

Mayor Marvin asked the Trustees if they were ready to vote on the local law this evening.

Trustee Underhill said that last month he expressed a great deal of concern about the bad habits of the taxi drivers. He said he approached this fare increase with a great deal of sympathy. Just last week he was forced on the curb by one of the taxi drivers. Trustee

Underhill said he cannot vote for the fare increase without sending a strong message for the taxi company and their drivers to “clean up their act.” He asked his fellow Trustees and the Mayor to postpone voting on the local law until we can see some improvement in the pattern of behavior of the taxi drivers. Trustee Underhill said he would follow up with Terry Toal, the owner of Bronxville Taxi, in person and with Chief Downey.

Mayor Marvin asked Chief Downey if he could monitor the taxi drivers.

There was a consensus of the Board to monitor the taxi drivers during the next month and to postpone voting on the proposed local law to increase taxi fares until December.

Proposed Local Law No. 3 - 2006 – Senior Citizens Property Tax Exemption

Mayor Marvin asked the Trustees if they were ready to vote this evening on the proposed local law to increase the income levels to qualify for a senior citizens property tax exemption.

On motion of Trustee Bellitto, seconded by Trustee Underhill, the Board voted to table voting on the proposed local law concerning senior citizens property tax exemption until the December meeting.
