

# Bronxville Public Library 2009 Summer Reading Game

## **“Be Creative @ Your Library”**

1. Come in to the library to register and receive your special Summer Reading Game Log. Read as many or as few books as you'd like.
2. Use your log to write the names of the books you've read or listened to. Every time you read 5 books, you will receive a prize. We have special pre-set prizes for reading 5, 10, 15, and 20 books. When you've read 20 books, you'll receive your Summer Reading Certificate. But don't stop reading! We'll continue to award special stickers and prizes to keep you going. Also, reading 100+ books earns you "Elite Reader" status and a decorative medal!
3. The Summer Reading Game officially ends on July 31st. Participants who bring in their reading log after that date will still receive a reading certificate and hearty congratulations for participating in the Bronxville Library Summer Reading Game!
