

- **RE: Policing in 2020 and beyond**
- **Challenge(s):**
 - **Transparency**
 - **Training**
 - **Policy Review and management**
 - **Third Party Review**
 - **Understanding best practices (nationally)**
- **Goal: Public Safety and Positive Community Relations**
- **The Why:**
 - **Lexipol creates polices with the intent to decrease risk and preserve life. Lexipol is successful since they are a non-bias third party that brings forth best practices from around the country. This ensures that departments like ours are provided an outside perspective with an eye to 'checks and balances.**

Lexipol and Executive Order # 203

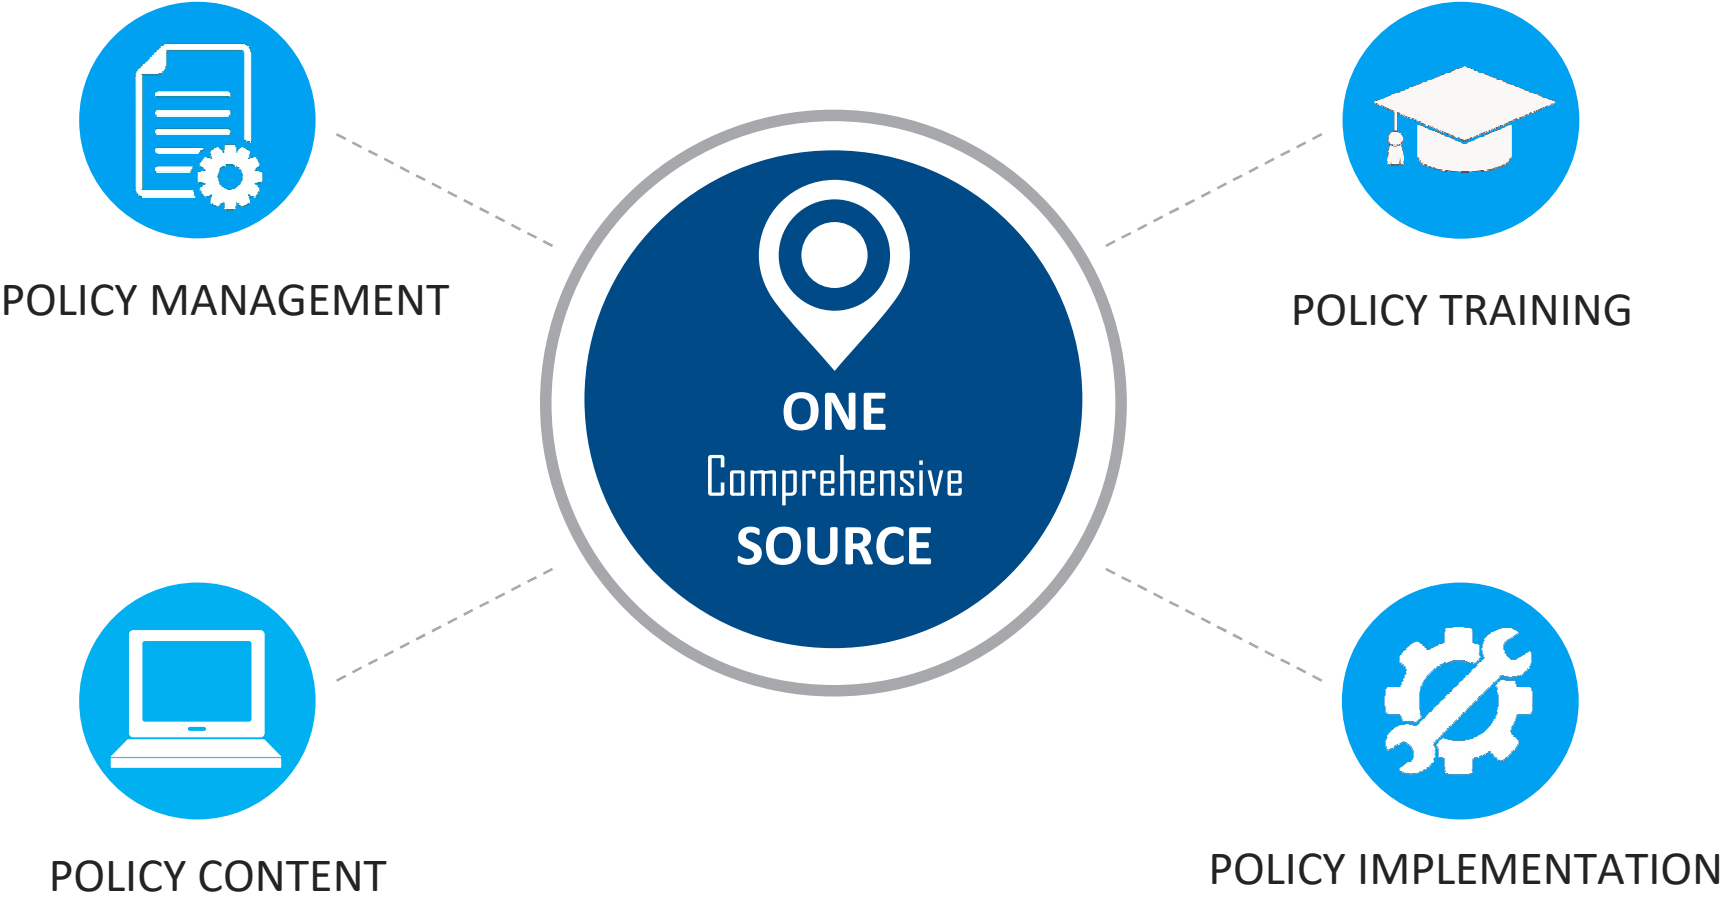

- **EO 203 requires local governments to perform a comprehensive review of police operations**
- **Partnering with Lexipol can assist with this process by:**
 - **Providing a solid policy foundation and head start with 160 policies based on federal and state law as well as best practices**
 - **Requiring the police department to do a complete review and analysis of their current practices while modifying the Lexipol manual to fit the needs of your agency and community**
 - **Allowing for the sharing of key policies for community engagement and input**
 - **Facilitating the engagement process by providing a legally sound policy to modify or adapt to local needs rather than struggling to develop a policy from nothing**
