Village of Bronxville - Parking Permits

200 Pondfield Road, Bronxville, NY 10708

Procedures for Merchant Parking Permit

Eligibility for Permit - Each employee working regularly at a business location within the Village may apply for a permit which will allow a specific car to park in spaces reserved for Village merchants.

Term of Validity - A permit is valid through its stated expiration date or until termination of the employment supporting its issuance, whichever occurs first. The employer is responsible to notify the parking office when employment termination invalidates a permit.

Procedure for Obtaining a Permit - Merchant parking permits are issued by the Parking Office located on the first floor of **Village Hall, 200 Pondfield Road, Bronxville, NY 10708**, between 9:00 a.m. and 4:00 p.m. Monday through Friday. The following items must be presented in person or by mail in order to receive a permit:

1. **A completed application** signed by both the individual employee and an authorized representative of the employer.
2. **A copy of the registration** for the vehicle to which the permit will be affixed. If the vehicle is registered to someone other than the applicant, acceptable evidence must be furnished that the vehicle will be used by the applicant for commutation to and from work in the Village.
3. **Proof of employment** such as a pay voucher or tax form.
4. **The full application fee for the specified permit.**

A permit will not be issued to any applicant with one or more Village parking tickets outstanding against any vehicle.

Use of Permit- The license plate number of the designated vehicle will be written on the permit before issuance. The permit must be affixed to the inside of the rearmost side window on the driver's side. Parking enforcement officers will look for permits only on the rearmost side window on the driver's side. Alteration of the plate number of a permit or use of a permit on any vehicle other than the one specified is not allowed.

Change of Vehicle - Each eligible employee is entitled to only one valid permit. Therefore, if a permit holder changes vehicles, he must return his original permit to Village Hall. A replacement decal will be issued for \$5.00 on presentation of:

1. A completed application for a replacement permit.
2. Presentation of the old permit or signed statement that the permit was lost.

Temporary Permits - If a substitute vehicle must be used by a permit holder on a temporary basis, a temporary permit should be obtained from the Parking Office.

Penalties - Vehicles parked in merchant spaces without a valid permit affixed to the rearmost window on the driver's side will be ticketed for illegally parking in a restricted zone. In addition, employees may be denied permits if their employers fail to notify the Parking Department of permits rendered invalid by employee termination or if employers make any misrepresentations on permit applications.

METER PREPAYMENTS

The sole function of prepayment is to avoid the necessity of depositing coins when parking at one of the 11 hour meters reserved for merchants.

Prepayment does not guarantee availability of a merchant space in any lot at any time. All metered merchant spaces are available to all vehicles with valid merchant permits on a first-come first serve basis.

The Village is not an insurer and shall not be responsible or liable for fire, theft, accident, vandalism, loss or damage to any vehicle or its contents while parked in any Village Parking Lot.

Unexpired prepayments may be transferred to another employee's vehicle with a valid merchant sticker upon payment of \$5.00 and the **return of the original permit to the Parking Office.**
