Bronxville Zoning Board
200 Pondfield Road
Bronxville, New York, 10708

Dear Zoning Board,

We are residents at 119 White Plains Road and the adjacent neighbors to the Ross family at 115 White Plains road. We are writing in support of the Ross' request for a variance to keep the fence up in its current form. We are aware of the 50% transparency code provision.

We like the fence and are not opposed to the fence in its current form. The Ross family has kept us apprised of the projects around the house and has committed to replace vegetation on our property that was cut down in the fence project. They have acted as good neighbors.

Please let us know if you have any questions.

Yours sincerely,

Lindsey and Matt Christ
