RE:

Sign/Awning Permit Application: AWN 001-22

Project Location: 71 Pondfield Rd Store name: Corcoran Legends Realty

4./1/5.A-1-2

Please be advised that the above referenced application has been reviewed and is being forwarded for your review and approval in accordance with Section 310-23 and Section 310-26 of the Village Code. Based upon my review of the materials submitted it appears that the awning as proposed does not comply for the following reasons – 1) the size of the name Corcoran exceeds the allowed 4" as per "310-23- B (3) (c) The name of each business conducted in a business establishment in letters in a single color may also be displayed on the main entrance door in letters not over two inches high or on the bottom edge of one awning in letters not over four inches high, but not both, and in one window of a second floor business establishment in letters not over four inches high."

Applicant should revise the application to reflect this requirement.
