

MEMORANDUM

DATE: October 4, 2022

TO: Design Review Committee

FROM: Paul Taft, Building Inspector

RE: Sign/Awning Permit Application: SGN 004-22
Project Location: 111 Kraft Ave
Store name: M&T Bank
4./4/1

Please be advised that the above referenced application has been reviewed and is being forwarded for your review and approval in accordance with Section 310-23 of the Village Code. Based upon my review of the materials submitted it appears that the sign as proposed would require a variance for more than 2 signs for a corner lot, but the previous approval for Bank of New York had an approval for the 2 additional principal signs, therefore it substantially complies with the Village Sign regulations. There is a change of color from gold to black.
