

MEMORANDUM

TO: Design Review Committee

FROM: Paul Taft, Building Inspector

RE: Sign/Awning Permit Application: SGN 008-22/AWN 008-22
Project Location: 80 Kraft Ave
Store name: Ovder/ Booskerdoo
4./2/20

Please be advised that the above referenced application has been reviewed and is being forwarded for your review and approval in accordance with Section 310-23 of the Village Code. Based upon my review of the materials submitted there are the following comments –

- 1) SGN 008-22 Window graphic is for 2 separate occupancies – Booskerdo and new occupancy Ovder
- 2) AWN 008-22 An awning application with signage has been submitted for the new occupancy
- 3) Window graphics are not allowed as proposed per
 - a. Planning board rules #4 – “(4) No advertising sign shall be displayed closer than nine inches from any point to a display window. Advertising signs shall not be affixed to the interior surface of the glass.”

It appears that the sign as proposed does not comply with the Village Sign regulations.

The DRC should confirm with the applicant that the proposed letter style, color and size will match the adjoining signs.
