

MEMORANDUM

TO: Design Review Committee

FROM: Paul Taft, Building Inspector

RE: Sign/Awning Permit Application: SGN 001-24  
Project Location: 28 Park Place  
Store name: Haagen Dazs  
4./2/18.A

Please be advised that the above referenced application has been reviewed and is being forwarded for your review and approval in accordance with Section 310-23 of the Village Code. Based upon my review of the materials submitted it appears that the sign as proposed contains sign panels which as per PBR D (4) (b) is prohibited. Lettering is required to be individual. The previous approval for the signage (2014) included approval for 3 signs of 3 different Facades as opposed to the 2 signs allowed on corner lots.

The DRC should confirm with the applicant that the proposed letter style, color and size will match the adjoining signs.
