1. Awning Permit Application - 89 Pondfield Road - Verizon

Applicant presented three awnings to be placed above the windows and door. Awnings are to be fixed, charcoal grey in color with no signage on them.

DRC recommends approval of the awnings.

2. Sign Permit Application - 89 Pondfield Road - Verizon

Applicant presented a sign to be placed above the center awning. The letters are to be black acrylic with a red checkmark at the end. Because of the dot on the "i" and the checkmark, the letters exceed the 12' height required.

DRC recommends approval of the sign with the checkmark logo as shown. The checkmark is part of the Verizon Corporate logo and is not offensive. The sign is high off the ground so the size is acceptable. The size is consistent with the existing signs of adjacent stores along Pondfield Road.

DRC decided that the materials of the awnings and sign are attractive and will be in keeping with the rest of the Village of Bronxville.
